DevOps Culture

Fernando Ike
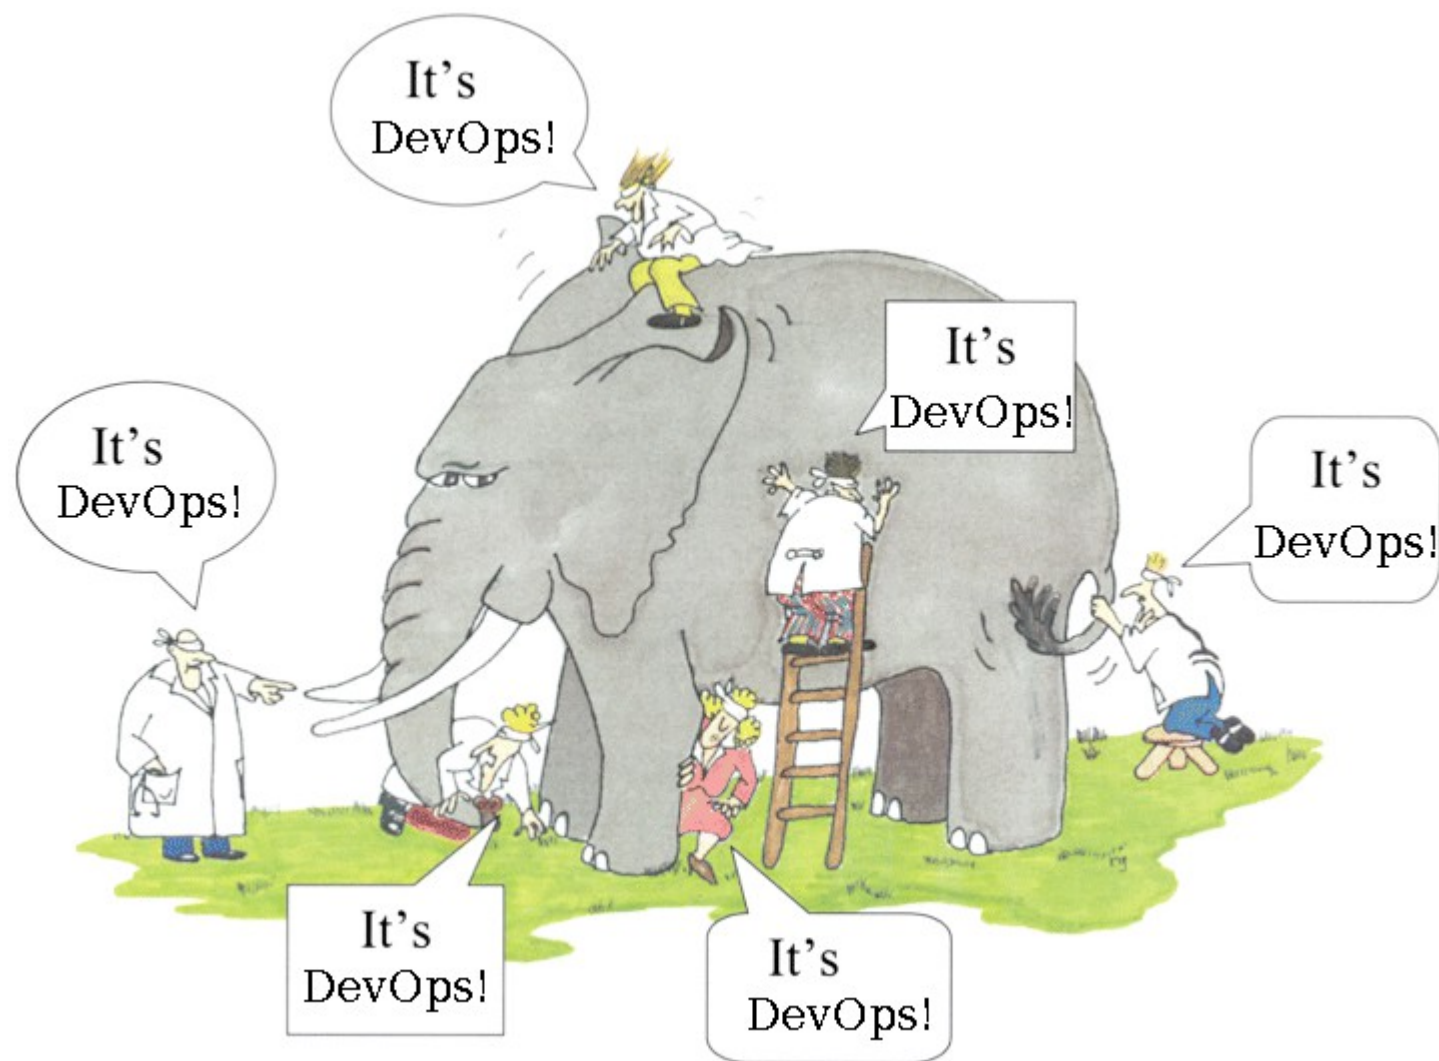

What DevOps Is Not?

Devops is not...

It's not a profession

Devops is not...

It's not a course or degree

Devops is not...

It's not a sysadmin

what it isn't?

It's not a developer

What doesn't have?

DevOps: What can be?

It's a movement!
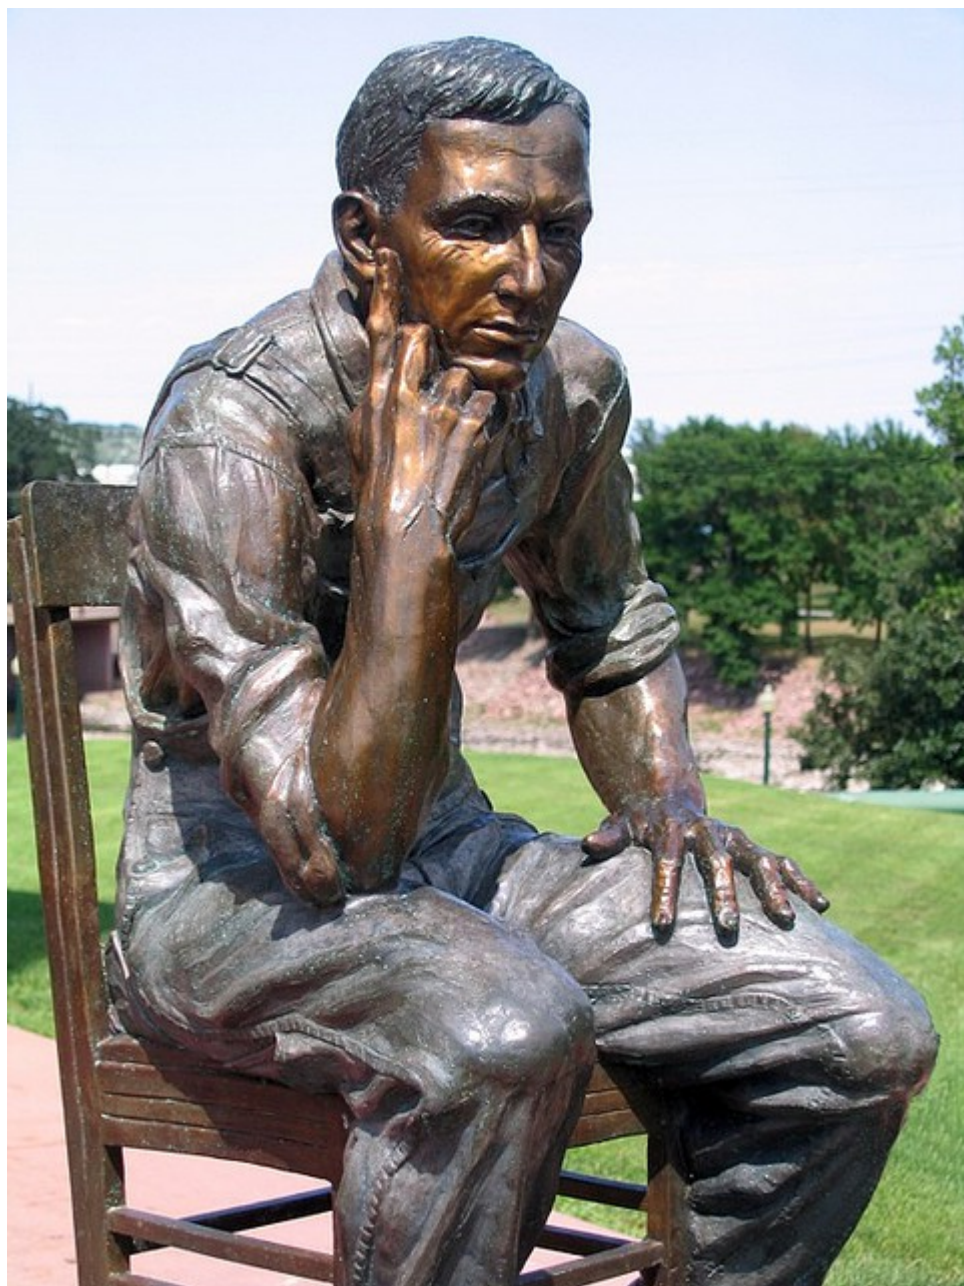

DevOps: What can be?

It can Transform Your Business!

DevOps: What can be?

It makes tasks more agile

Keep Calm, world is aways changing

One deployment per week?

Keep Calm, world is aways changing

Ready?

Two, three, four... deployments

Keep Calm, world is aways changing

Paul Sakuma/Associated Press

Keep Calm, world is aways changing

Automation, automation, automation

automation, automation

Keep Calm, world is aways change

Automation is for yesterday!
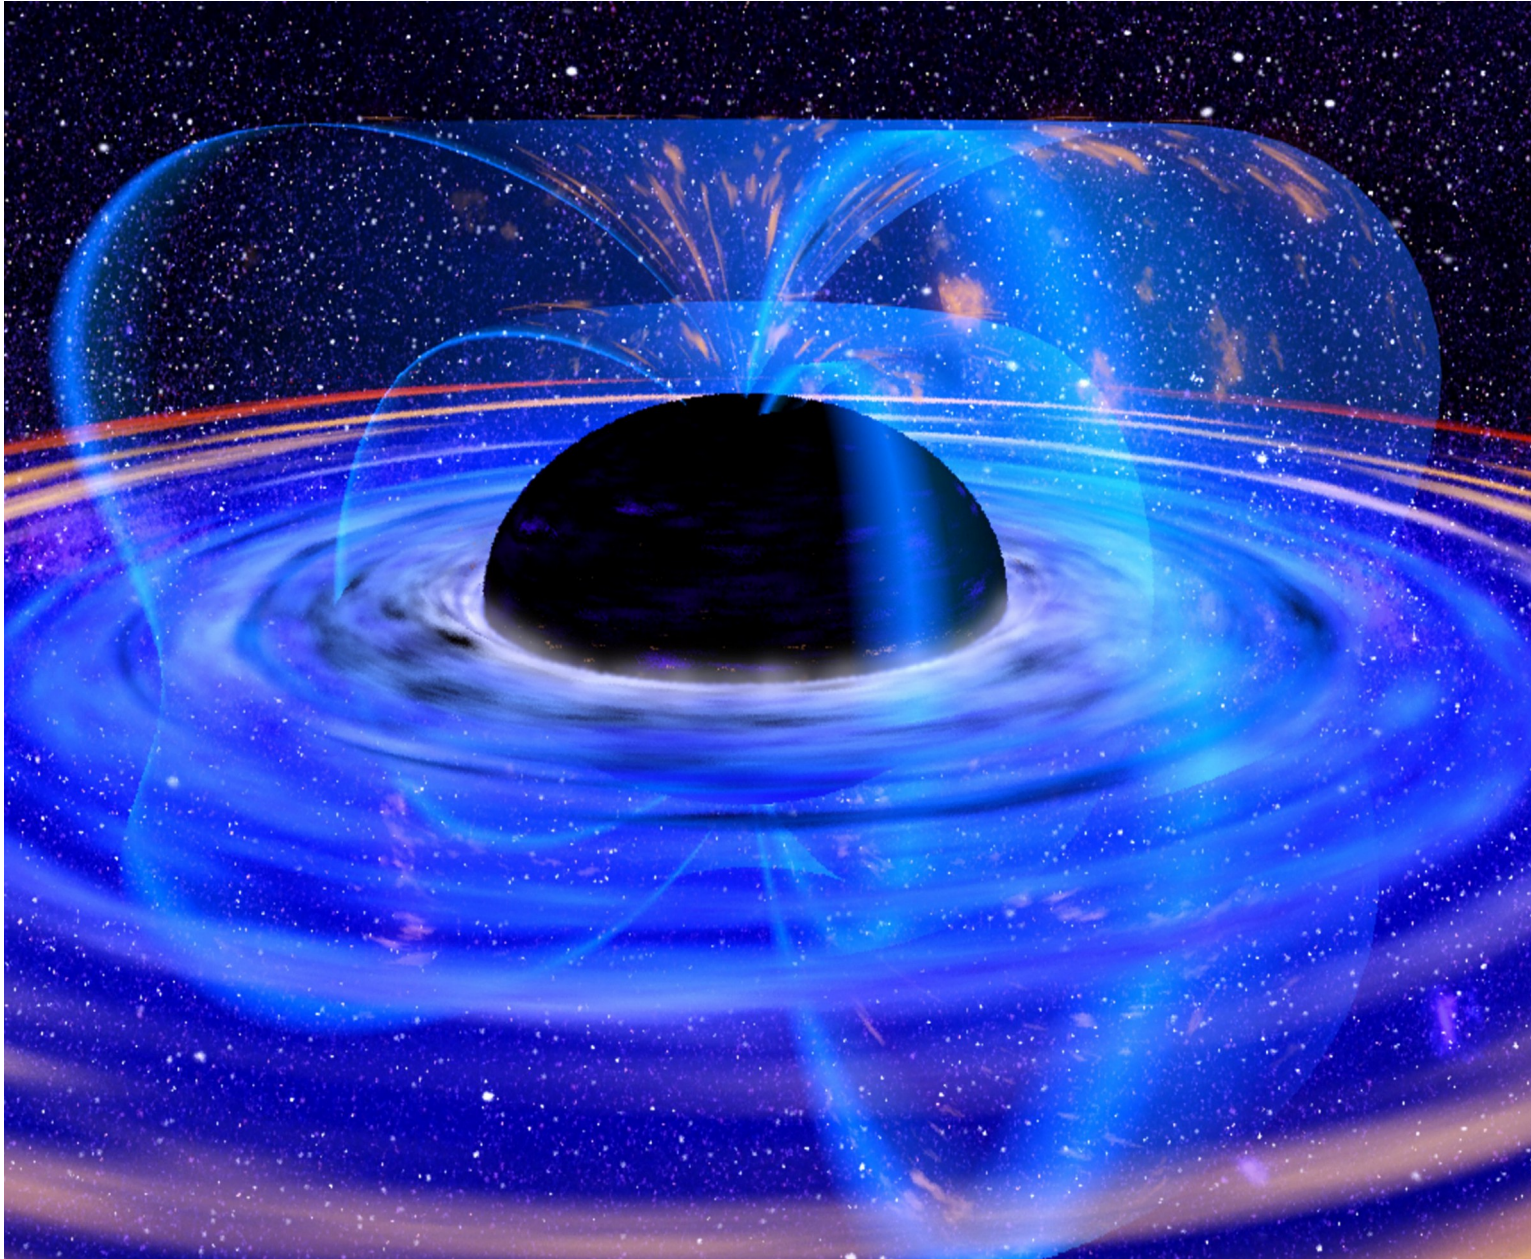

Clone Wars!!!

Clone Wars!!!

Many, many, many Virtual Machines!

The Systems are more complex!

# Big Data...

...is a solution and a problem too!

Big Data...

Big Data...

...is solution and a problem too!

Who Takes Care of It?

# Who Takes Care of It?

Developers?

Who Takes Care of It?

Sysadmins?

Who Takes Care of It?

Trolls?

new buzzword

New buzzword

Development + Operations!

DevOps is a method that...

invokes more colaborations...

DevOps is a method that...

invokes more communication...

DevOps

invokes more integration...

DevOps

…between developers and sysadmins!

DevOps

invokes more collaboration...

invokes more communication...

invokes more integration...

...between developers and sysadmins!

How to Use DevOps

Again!

Keep Calm, world is aways changing

Automation, automation, automation

automation, automation

DevOps Culture
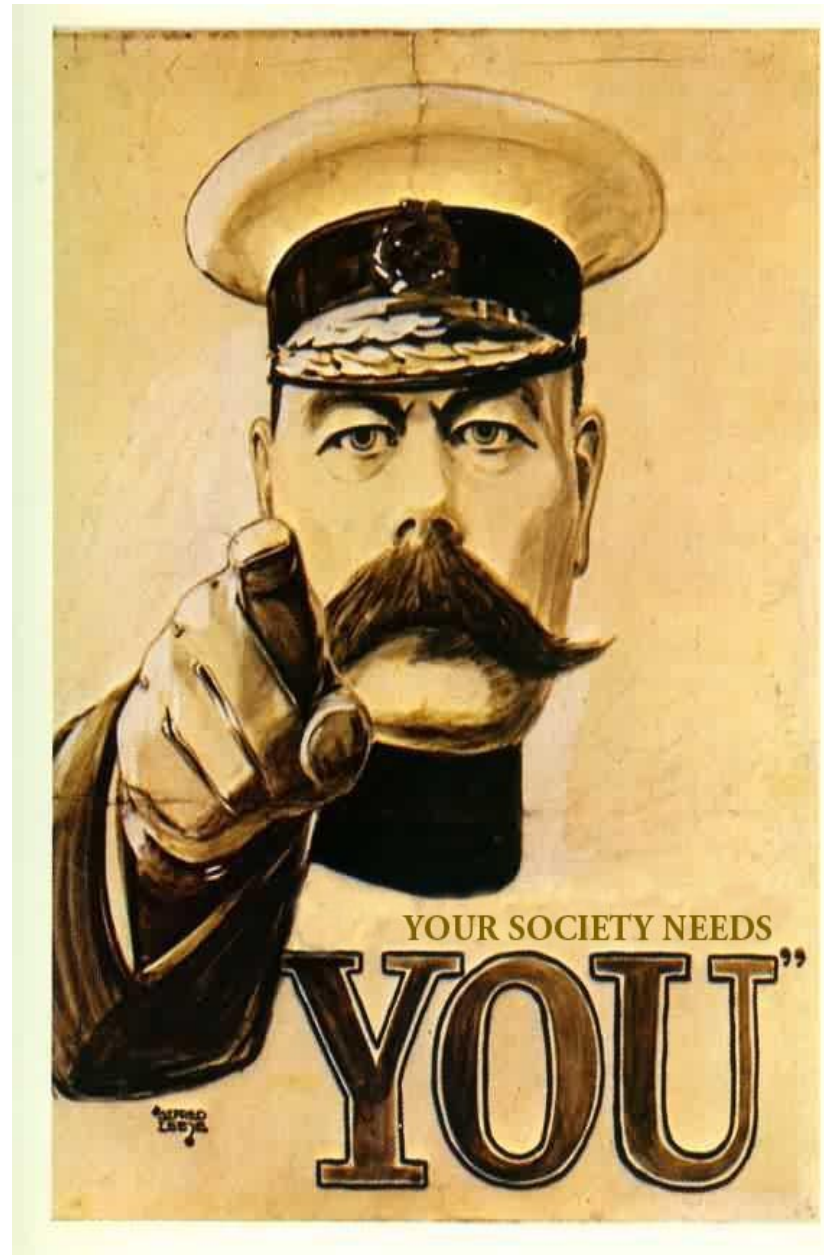

Key Concepts about DevOps

Machines aren't yours!

Key Concepts about DevOps

Machines isn't yours guard!

Key Concepts about DevOps

Machines supports their Bussines!

Key Concepts about DevOps

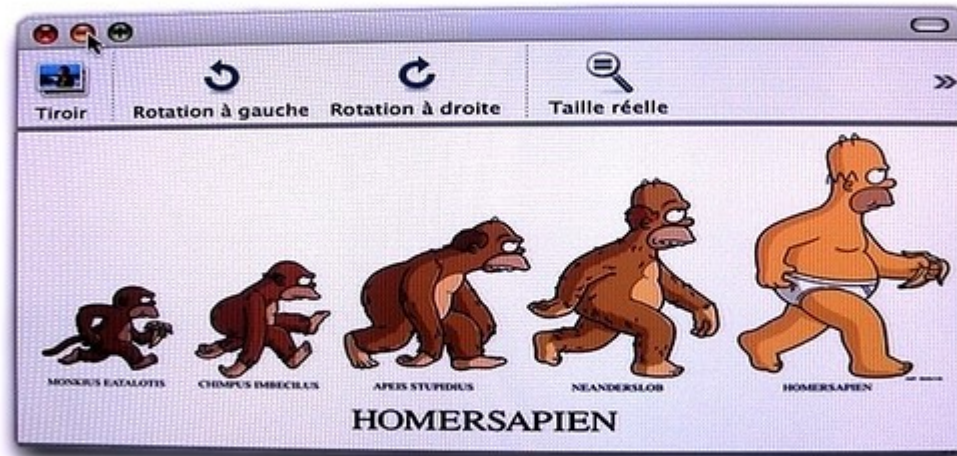

YOUR SOCIETY NEEDS "YOU"

Stanford

Key Concepts about DevOps

The business changes!

Key Concepts about DevOps

New releases don't feature any big changes...

Key Concepts about DevOps

Key Concepts about DevOps

The focus is on making small, frequent changes

Thinks to DevOps

Mistakes happens all the time!

Key Concepts about DevOps

And mostly...

Key Concepts about DevOps

Key Concepts about DevOps

It will be an ongoing culture change!

KEEP CALM AND CALL BATMAN

Key Concepts about DevOps

Its Be Patient! It isn't easy!
